Dear Lorraine and all at Mobility Solutions,

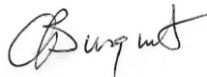

I am writing to you on behalf of Sizanani Children's Home to Thank you for your kind and ongoing generosity towards our Home and residents.

I believe that we first made contact with you back in 2016 and from our first contact you have always been helpful and friendly towards us, offering us generous discounts, arranging free delivery and always asking after the well-being of our residents and day care children and for this we are very grateful.

We were particularly delighted when you recently included some chocolate Easter eggs for our children to enjoy when you dispatched our most recent order. As you can see from the photos they were very much appreciated! We celebrated Easter with a musical party for all our residents, lots of noise, dancing and chocolate munching – always a winner!

We look forward to continuing to work with you in the future,

Best Wishes
